NOVEMBER 2006

THINGS THAT MAKE YOU GO HMMM...

- A forward head position and rounded shoulders have been implicated in the development of TMJ disorder. - Archives of Physical Medicine & Rehab 1991
- The more mechanically distorted a person is, the less energy is available for thinking, metabolism and healing. - Roger Sperry Ph.D. Nobel Prize Winner 1980

AT LAST! OUR OPEN HOUSE IS HERE

Save the date! We will be hosting our open house Friday Dec. 8th, beginning at 6pm.

We'll be serving wine and cheese from **FARMSTEAD CHEESE AND WINE** Mushroom Scallion Quiche and Wholey Moley! from **FEEL GOOD BAKERY** Cocktail Shrimp from **PAPPO** and Tea from **JULIES TEA GARDEN**.

We'll be raffling certificates to: **NOFU SKIN STUDIO, FARMSTEAD CHEESE AND WINE, JULIES TEA GARDEN, MARKS'S PAINTS, AND MORE!!...**

Dr. Boyd will also be doing a short power point presentation on the services available at Symmetry Chiropractic.

On account of limited seating, prompt RSVP's (by phone or email reply) would be greatly appreciated.

TUESDAY TEA TALKS WITH DR. B

Give 2007 a healthy start! Join Dr. B at Julie's Coffee and Tea Garden for her seminar series.

She will be discussing how posture and abnormal body structure relates to the overall health of your body.

The dates and topics are as follows:

Dec 5th -Living with Chronic Pain

Jan 9th- Posture and the Aging Body

Jan 16th- Low Back Pain

Jan 23-The Fish Oil Craze

Jan 30th-Arthritis

Please RSVP to reserve seating. Talks begin at 6pm.
